PUBLIC REPRIMAND ISSUED TO JUDGE MATTHEW M. QUINN

The Minnesota Board on Judicial Standards has issued a public reprimand to Seventh Judicial District Judge Matthew M. Quinn. A [copy of the public reprimand](#) is attached. Because Judge Quinn did not demand a formal hearing, this Public Reprimand is the final action in the matter.

The Board on Judicial Standards' website, www.bjs.state.mn.us, includes information such as public judicial disciplines in other cases, the Board's Annual Reports, the Code of Judicial Conduct, and the Board's procedural rules.
